

## Rochester Junior Numismatic Association (RJNA)

The RJNA encourages young numismatists (coin collectors) to learn more about the exciting world of collecting coins. The RJNA is sponsored by the Rochester Numismatic Association, the second oldest Numismatic Association club in the nation ([www.the-rna.com](http://www.the-rna.com)).

Coin Collecting is fun, but it also teaches valuable skills in:

- *History (U.S. & world history is reflected in coins)*
- *Art (some coins are regarded as beautiful works of art)*
- *Investing (understanding how coin values change over time)*
- *Attention to detail (details on a coin can make a big difference!)*

The RJNA meets monthly, the **4<sup>th</sup> Wednesday of each month** (except June-August) at **7:30pm in the basement of the Eisenhart Auditorium** (across from the Rochester Museum & Science Center. Monthly RJNA meetings include:

- Coin Show & Tell
- Coin Games & Coin Trivia
- Penny Hunt (Search through rolls of cents to find interesting & possibly valuable cents that you get to keep!)

Best of all- **it's FREE!** The RNA encourages all kids to learn more about coins!

For more info about the RJNA please call:

- Joe Lanzafame (RNA Advisor to the RJNA) 314-1240
- Andy Ophardt (Parent Liaison) 755-7878
